Dear Stockholder:

You are cordially invited to attend the 2024 Annual Meeting of Stockholders (the “Annual Meeting”) of Greenidge Generation Holdings Inc. (“Greenidge,” the “Company,” “we,” “us,” and “our”), which will be held on June 18, 2024, at 10:30 a.m. EDT at the Company’s headquarters located at 590 Plant Road, Dresden, NY 14441.

Attached to this letter are a Notice of Annual Meeting of Stockholders and proxy statement, which describe the business to be conducted at the Annual Meeting.

Regardless of how many shares you own and whether or not you plan to attend the Annual Meeting, we urge you to promptly submit your vote via the Internet, telephone or mail if you are a stockholder of record, or by following the voting instructions provided by your bank, broker or other holder of record if you are a beneficial owner of our shares. Your proxy is revocable at any time before it is voted and will not affect your right to vote in person if you attend the Annual Meeting.

On behalf of the Board of Directors and management, I would like to thank you for choosing to invest in Greenidge and look forward to your participation at our Annual Meeting.

Very truly yours,

Jordan Kovler  
Chief Executive Officer

## YOUR VOTE IS IMPORTANT

We will be using the Securities and Exchange Commission’s Notice and Access model (“Notice and Access”), which allows us to deliver proxy materials via the Internet, as the primary means of furnishing proxy materials to stockholders. We believe Notice and Access provides stockholders with a convenient method to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about May 8, 2024, we will mail to all stockholders of record a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and our Annual Report to Stockholders for the fiscal year ended December 31, 2023 (“2023 Annual Report”) online and how to vote via the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how to receive paper copies of the proxy materials and our 2023 Annual Report.

Whether or not you plan to attend the meeting, we hope that you will vote as soon as possible using telephone or Internet voting, if available to you, or if you received these proxy materials by mail, by completing, signing, dating and returning a proxy card or voting instruction form promptly. Please note that if your shares are held by a bank, broker or other recordholder and you wish to vote them at the Annual Meeting, you must obtain a legal proxy from that recordholder.

**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS  
OF GREENIDGE GENERATION HOLDINGS INC.**

**Date and Time:** June 18, 2024, at 10:30 a.m. EDT

**Place:** The Annual Meeting will be held at the Company's headquarters located at 590 Plant Road, Dresden, NY 14441.

**Items of Business:**

1. To elect ten directors, David Anderson, Andrew M. Bursky, Timothy Fazio, David Filippelli, Jordan Kovler, Jerome Lay, Timothy Lowe, Michael Neuscheler, George (Ted) Rogers, and Daniel Rothaupt, each to hold office until our Annual Meeting of Stockholders in 2025 and until his successor is duly elected and qualified, or until his earlier death, resignation or removal ("Proposal 1");
2. To ratify the selection of MaloneBailey, LLP as our independent registered public accounting firm for the year ending December 31, 2024 ("Proposal 2"); and
3. To transact such other business as may properly come before the Annual Meeting or any adjournments or postponements of the Annual Meeting.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice.

Our Board of Directors recommends that you vote:

**"FOR"** the director nominees named in Proposal 1, and

**"FOR"** the ratification of the selection of MaloneBailey, LLP as our independent registered public accounting firm as described in Proposal 2.

**Record Date:**

The Board of Directors has set April 26, 2024 as the record date for the Annual Meeting (the “Record Date”). Only stockholders of record at the close of business on the Record Date are entitled to receive notice of, and to vote at, the Annual Meeting.

**Voting:**

**YOUR VOTE IS VERY IMPORTANT.** Whether or not you plan to attend the Annual Meeting, we encourage you to read the Proxy Statement and submit your proxy or voting instructions as soon as possible.

To vote by proxy if you are a stockholder of record:

- **By Internet:** Go to [www.investorvote.com/GREE](http://www.investorvote.com/GREE) and follow the instructions, 24 hours a day, seven days a week. You will need the control number included on your proxy card.
- **By Telephone:** From a telephone, dial the toll-free number on your proxy card and follow the recorded instructions, 24 hours a day, seven days a week. You will need the control number included on your proxy card.
- **By Mail:** If you have requested and received a proxy card in the mail, mark your selections on the proxy card, date and sign your name exactly as it appears on your proxy card, and mail the proxy card in the postage-paid envelope that will be provided to you.

You can revoke a proxy at any time prior to its exercise at the Annual Meeting by following the instructions in the Proxy Statement under the “Revoking A Proxy” section.

If your shares are held by a bank, broker or other nominee (that is, in “street name”), you will need to obtain a voting instruction form from the institution that holds your shares and follow the instructions included on that voting instruction form regarding how to instruct your bank, broker or other nominee to vote your shares. Your bank, broker or other nominee may provide voting by telephone or Internet. If your shares are held in street name at a broker and you do not provide voting instructions to your broker, your broker can vote your shares with respect to “routine” items, but not with respect to “non-routine” items. Proposal 1 (Election of Directors) is a non-routine item. Proposal 2 (Ratification of the Selection of the Company’s Independent Registered Public Accounting Firm) is a routine item. On non-routine items for which you do not provide voting instructions to your broker, the shares will be treated as broker non-votes.

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting: Our 2023 Annual Report is available free of charge at: [ir.greenidge.com](http://ir.greenidge.com).**

## GENERAL INFORMATION

### THE ANNUAL MEETING

The 2024 Annual Meeting of Stockholders (the “Annual Meeting”) of Greenidge Generation Holdings Inc. (“Greenidge,” the “Company,” “we,” “us,” and “our”) will take place on June 18, 2024, at 10:30 a.m. EDT, at the Company’s headquarters located at 590 Plant Road, Dresden, NY 14441.

### VOTING RIGHTS

**Stockholder of Record.** If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the “stockholder of record,” with respect to those shares. The proxy materials will be sent to you by mail directly by us upon request. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy by Internet, telephone or mail. Whether or not you plan to attend the Annual Meeting, we urge you to vote on the Internet or by phone or mail as instructed in the proxy card to ensure your vote is counted.

**Beneficial Owner.** If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in street name. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank, or other agent on how to vote the shares in your account. Your brokerage firm, bank, or other agent will not be able to vote for Proposal 1 (Election of Directors) unless they have your voting instructions, so it is very important that you indicate your voting instructions to the institution holding your shares.

As a beneficial owner of shares as of the close of business on April 26, 2024 (the “Record Date”), you are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you bring with you to the Annual Meeting a legal proxy from the organization that holds your shares or a brokerage statement showing your ownership of shares as of the close of business on the Record Date. If you are a representative of an institutional stockholder, you must also bring a legal proxy or other proof that you are a representative of a firm that held shares as of the close of business on the Record Date and that you are authorized to vote on behalf of the institution.

All stockholders wishing to attend the Annual Meeting must also bring with them a form of government-issued photo identification, such as a driver’s license, state-issued ID card, or passport to gain entry to the Annual Meeting. Please note that no cell phones, tablets, computers, pagers, cameras, recording equipment, packages or electronic devices will be permitted in the Annual Meeting and bags or briefcases will be subject to inspection.

Only holders of the Company’s common stock (“common stock”) as recorded in our stock register at the close of business on the Record Date may vote at the annual meeting. On the Record Date, there were 7,059,404 shares of Class A common stock and 2,733,394 shares of Class B common stock issued and outstanding. Each holder of Class A common stock is entitled to one vote per share and each holder of Class B common stock is entitled to ten votes per share on any matter submitted to a vote of our stockholders.

### ITEMS OF BUSINESS

There are two matters scheduled for a vote:

- **Proposal 1:** To elect ten directors, David Anderson, Andrew M. Bursky, Timothy Fazio, David Filippelli, Jordan Kovler, Jerome Lay, Timothy Lowe, Michael Neuscheler, George (Ted) Rogers, and Daniel Rothaupt, each to hold office until our Annual Meeting of Stockholders in 2025 and until his successor is duly elected and qualified, or until his earlier death, resignation or removal; and
- **Proposal 2:** To ratify the selection MaloneBailey, LLP as our independent registered public accounting firm for the year ending December 31, 2024.

Aside from the election of directors and the ratification of the selection of our independent registered public accounting firm, the Company’s Board of Directors (the “Board of Directors” or the “Board”) knows of no matters

to be presented at the Annual Meeting. If any other matter is properly brought before the Annual Meeting, shares represented by all proxies received by the Board will be voted with respect thereto in accordance with the judgment of the persons appointed as proxies.

#### VOTING RECOMMENDATION OF THE BOARD

The Board recommends that you vote your shares:

- **“For”** the election of ten directors, David Anderson, Andrew M. Bursky, Timothy Fazio, David Filippelli, Jordan Kovler, Jerome Lay, Timothy Lowe, Michael Neuscheler, George (Ted) Rogers, and Daniel Rothaupt, each to hold office until our Annual Meeting of Stockholders in 2025 and until his successor is duly elected and qualified, or until his earlier death, resignation or removal; and
- **“For”** the ratification of the selection of MaloneBailey, LLP as our independent registered public accounting firm for the year ending December 31, 2024.

#### HOW TO VOTE

For Proposal 1, you may vote “For All,” “Withhold All” or “For All Except” with respect to each nominee to the Board. For Proposal 2, you may vote “For,” “Against” or “Abstain”.

How to vote your shares depends on whether you hold your shares as a “stockholder of record” or as a “beneficial owner” holding shares in street name, like most of our stockholders, as of the Record Date.

#### **If you are a stockholder of record, you can vote in the following ways:**

- **By Internet:** By following the Internet voting instructions included in the proxy materials sent to you (or by going to [www.investorvote.com/GREE](http://www.investorvote.com/GREE) and following the instructions) at any time by 11:59 p.m., EDT, on June 17, 2024.
- **By Telephone:** By following the telephone voting instructions included in the proxy materials sent to you by 11:59 p.m., EDT, on June 17, 2024.
- **By Mail:** If you have received a printed copy of the proxy materials from us by mail, you may vote by mail by marking, dating, and signing your proxy card in accordance with the instructions on it and returning it by mail in the pre-addressed reply envelope provided with the proxy materials. The proxy card must be received prior to the Annual Meeting. If a proxy card is dated, signed and returned without specifying choices, the proxies will be voted in accordance with the recommendations of the Board set forth in this proxy statement, and, in the discretion of the persons named in your proxy, upon such other business as may properly come before the Annual Meeting.
- **In Person:** First, you must satisfy the requirements for admission to the Annual Meeting, which are outlined below. Second, if you are a stockholder of record and prefer to vote your shares at the Annual Meeting, you must bring proof of identification along with your proxy card or proof of ownership. You may then vote your shares in person at the meeting. Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted if you later decide not to attend the Annual Meeting.

Whichever method you use, giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. If you submit a proxy but do not specify how to vote, the Company representatives named in the proxy will vote your shares “for” all the director nominees identified in the proxy.

**If you are a beneficial owner of our common stock as of the Record Date and hold the shares through another party, such as a bank or brokerage firm, you may receive material from them asking how you want to vote. Simply follow the instructions to ensure that your vote is counted.**

Whether or not you are a stockholder or record or beneficial owner, to attend and vote at the Annual Meeting, you must bring with you a form of government-issued photo identification, such as a driver’s license, state-issued ID card, or passport to gain entry to the Annual Meeting. If you are a beneficial owner of our common stock, you must

also bring with you to the Annual Meeting a legal proxy from the organization that holds your shares or a brokerage statement showing your ownership of shares as of the close of business on the Record Date. If you are a representative of an institutional stockholder, you must also bring a legal proxy or other proof that you are a representative of a firm that held shares as of the close of business on the Record Date and that you are authorized to vote on behalf of the institution.

You may receive more than one set of proxy materials depending on how you hold your shares. To ensure that all your shares are voted, please sign and return each proxy card or voting instruction form or, if you vote by Internet or telephone, vote once for each Notice or proxy card or voting instruction form that you receive.

#### REVOKING A PROXY

A stockholder of record may revoke any proxy which is not irrevocable by submitting a new proxy bearing a later date, by voting by telephone or over the Internet, or by delivering to the Secretary of the Company a revocation of the proxy in writing so that it is received by the Company prior to the Annual Meeting at 590 Plant Road, Dresden, NY 14441. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power.

If you are a beneficial owner, you may revoke your proxy by submitting new instructions to your broker, bank, or other agent, or if you have received a proxy from your broker, bank, or other agent giving you the right to vote your shares at the Annual Meeting, by attending the meeting and voting during the meeting. Please be sure to review the identification and proxy requirements necessary to gain entry to the Annual Meeting set forth above.

#### SOLICITATION

These proxy materials are being provided in connection with the solicitation of proxies by the Company and are first being sent to stockholders of record on or about May 10, 2024. In addition to this mailing, the Company's employees may solicit proxies personally, electronically or by telephone. The Company pays the costs of soliciting proxies. We also reimburse brokers and other nominees for their expenses in sending these materials to you and obtaining your voting instructions. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and internet service providers, which must be borne by the stockholder.

#### VOTES REQUIRED

The vote required for Proposal 1 for the election of directors by stockholders is the plurality of the votes cast with respect to a director nominee. This means that the ten director nominees receiving the highest number of affirmative "for" votes will be elected. As a result, any shares not voted "for" a particular nominee, whether as a result of a "withhold" vote or a "broker non-vote" (as defined below), will not be counted in such nominee's favor and will have no effect on the outcome of the election.

Approval of Proposal 2 for the ratification of the selection of MaloneBailey, LLP as our independent registered public accounting firm requires the affirmative vote of the holders of a majority of the voting power of the shares of common stock present at the Annual Meeting or represented by proxy and entitled to vote on the subject matter. An abstention will have the same effect as a vote against this proposal because an abstention represents a share considered present and entitled to vote.

If your shares are held by a broker, the broker will ask you how you want your shares to be voted. If you give the broker instructions, your shares must be voted as you direct. If you do not give instructions for Proposal 2 to ratify the selection of the Company's independent registered public accounting firm, the broker may vote your shares at its discretion. For the election of directors, the broker cannot vote your shares at all if you do not give it instructions. When that happens, it is called a "broker non-vote." Broker non-votes are counted in determining the presence of a quorum at the meeting, but they will have no effect on the voting for the election of directors because they do not represent shares present and entitled to vote.

## QUORUM

In order to carry on the business of the meeting, we must have a quorum. This means that the holders of record of a majority of the voting power of the issued and outstanding shares of capital stock of the Company entitled to vote at the Annual Meeting must be represented at the Annual Meeting, either by proxy or present at the meeting.

Notwithstanding the foregoing, where a separate vote by a class or classes or series is required, a majority of the voting power of the issued and outstanding shares of such class or classes or series, present at the Annual Meeting or represented by proxy, shall constitute a quorum entitled to take action with respect to the vote on that matter. None of the matters scheduled for a vote at the Annual Meeting require a separate vote by class or classes or series of common stock. Once a quorum is present to organize a meeting, it shall not be broken by the subsequent withdrawal of any stockholders.

## IMPLICATIONS OF BEING AN "EMERGING GROWTH COMPANY"

We qualify as an "emerging growth company" under the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act") and a "smaller reporting company" (as defined in the Securities and Exchange Commission (the "SEC") rules) under the reporting rules set forth under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). As a result, we are permitted to, and intend to, rely on exemptions from certain disclosure requirements. For so long as we are an emerging growth company, we will not be required to:

- have an auditor report on our internal controls over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act;
- comply with any requirement that may be adopted by the Public Company Accounting Oversight Board regarding mandatory audit firm rotation or a supplement to the auditor's report providing additional information about the audit and the financial statements (i.e., an auditor discussion and analysis);
- submit certain executive compensation matters to shareholder advisory votes, such as "say-on-pay," "say-on-frequency" and pay ratio; and
- disclose certain executive compensation related items such as the correlation between executive compensation and performance and comparisons of the CEO's compensation to median employee compensation.

In addition, Section 107 of the JOBS Act also provides that an emerging growth company can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act of 1933, as amended (the "Securities Act"), for complying with new or revised accounting standards.

In other words, an emerging growth company can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected to take advantage of the benefits of this extended transition period. Our financial statements may therefore not be comparable to those of companies that comply with such new or revised accounting standards.

We expect to take advantage of these reporting exemptions until we are no longer an emerging growth company or a smaller reporting company. We will remain an emerging growth company for up to five years, or until the earliest of (i) the last day of the first fiscal year in which our total annual gross revenues exceed \$1.07 billion, (ii) the date that we become a "large accelerated filer" as defined in Rule 12b-2 under the Exchange Act, which would occur if the market value of our Class A common stock that are held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three-year period. We will qualify as a smaller reporting company until our public float, as of the last day of our second fiscal quarter, exceeds \$250 million; because our Class A common stock held by our directors, executive officers and our controlling stockholder and its affiliates are excluded from the calculation of public float, we anticipate qualifying as a smaller reporting company for the near future.

We have availed ourselves in this Proxy Statement of the reduced reporting requirements described above. Because we will be subject to ongoing public reporting requirements that are less rigorous than Exchange Act rules for

companies that are not emerging growth companies or smaller reporting companies, stockholders could receive less information than they might expect to receive from more mature or larger public companies.

King & Co., a proxy solicitation firm, in progressively senior roles, including as Senior Vice President. Mr. Kovler holds a Bachelor of Arts degree in Economics from Trinity College.

We believe Mr. Kovler is qualified to serve on our Board of Directors given his extensive leadership experience and expertise in cryptocurrency, M&A, corporate governance and investor relations.

power plant assets of Greenidge. **BOARD MEETING QUORUM REQUIREMENTS**

Our Amended and Restated Bylaws (“Bylaws”) provide that a majority of the total number of directors then in office will constitute a quorum.

Our Board of Directors meets periodically during the year to review significant developments affecting us and to act on matters requiring the approval of our Board of Directors. Our Board of Directors met 13 times during 2023. During 2023, each director attended at least 75% of the aggregate of (1) the total number of meetings of our Board of Directors held during the period for which he had been a director and (2) the total number of meetings held by all committees of our Board of Directors on which he served during the periods that he served.

We encourage our directors and nominees for director to attend the Annual Meeting. At our 2023 annual meeting of stockholders, five of our directors attended such meeting.

## BOARD COMMITTEES

Our Board has established an Audit Committee and a Compensation Committee, each with its own charter posted on our website at [ir.greenidge.com](http://ir.greenidge.com). These committees aim to strengthen and support our corporate governance structure. We do not currently have a standing nominating and corporate governance committee. Because we are a “controlled company,” as defined under Nasdaq rules, we are not required to have a nominating and corporate governance committee composed of independent directors.

### *Audit Committee*

Our Audit Committee consists of at least three directors determined by the Board of Directors to meet the independence, financial literacy and other requirements of Nasdaq and applicable federal law, including Section 10A(m)(3) of the Exchange Act and the rules and regulations of the SEC. All directors must be “Non-Employee Directors” as defined by Rule 16b-3 under the Exchange Act. The members of the Audit Committee are appointed by our Board and may be removed by the Board of Directors in its discretion. The Audit Committee is entitled to delegate any of its responsibilities to subcommittees as the Audit Committee may deem appropriate, provided the subcommittees are composed entirely of directors who meet the above-listed criteria.

Currently, our Audit Committee consists of Michael Neuscheler, Timothy Lowe and Daniel Rothaupt. Michael Neuscheler serves as the Chairman of our Audit Committee. Messrs. Neuscheler, Lowe and Rothaupt meet the requirements for independence under the Nasdaq listing standards and SEC rules and regulations. Each member of our Audit Committee also meets the financial literacy and sophistication requirements of the Nasdaq listing standards. The Board has determined that our Audit Committee has at least one “audit committee financial expert” serving on the Audit Committee. Mr. Neuscheler serves as the audit committee financial expert.

We are required to provide the Audit Committee with the appropriate funding for payment of (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for Greenidge, (ii) compensation to any advisors employed by the Audit Committee and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee holds meetings as often as required, but no less than two times per year. Minutes of each meeting of the Audit Committee are prepared by the Secretary of Greenidge or his or her or the Audit Committee’s designee and approved by the Audit Committee. Such minutes are filed with the books and records of the Company.

The Audit Committee assists our Board in its oversight of: (1) the integrity of our financial statements, (2) the independent auditor’s qualifications and independence, (3) the performance of any internal audit function and independent auditors, and (4) our compliance with legal and regulatory requirements not specifically delegated to our other committees. In particular, the Audit Committee has the following duties:

- appointing, compensating, retaining and overseeing the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for Greenidge, and each such registered public accounting firm must report directly to the Audit Committee;
- selection and oversight of any internal auditor;
- reviewing and approving the appointment and replacement of the head of any internal auditing department;
- advising the head of any internal auditing department that he or she is expected to provide to the Audit Committee summaries of and, as appropriate, the significant reports to management prepared by the internal auditing department and management’s responses thereto;
- recommending and approving the compensation plan for the head of any internal audit in consultation with management;

- advising management, any internal auditing department and the independent auditors that they are expected to provide to the Audit Committee a timely analysis of significant financial reporting issues and practices and significant internal audit controls and procedures;
- reviewing and approving the annual audit plan and audit fee submitted by the independent auditors and discussing with the independent auditors the overall approach to and scope of the audit examination with particular attention focused on those areas where either the Audit Committee, the Board, management or the independent auditors believe special emphasis is desirable;
- reviewing and discussing with the independent auditors and management the audited financial statements, the results of the audit and the independent auditors' report or opinion on matters related to the performance of such audit;
- reviewing any other financial statements or reports, as requested by management or determined by the Audit Committee, which are required to be filed with any federal, state or local regulatory agency prior to filing with the appropriate regulatory body;
- reviewing and reassessing the adequacy of the Audit Committee charter on an annual basis, and making recommendations as to changes thereto as may be necessary or appropriate; and
- reporting its activities to the full Board on a regular basis and making such recommendations the Audit Committee deems necessary or appropriate.

Our Audit Committee reviews the Audit Committee charter annually. The Audit Committee held four meetings during 2023.

### ***Compensation Committee***

The Compensation Committee consists of at least two members of our Board, each of whom, following the time at which we are no longer a “controlled company,” shall qualify as “independent” under the Nasdaq independence rules and shall also be “Non-Employee Directors” as defined by Rule 16b-3 under the Exchange Act. The members of our Compensation Committee elect a chairperson to preside at all meetings of the Compensation Committee. The Compensation Committee has the authority to delegate any of its responsibilities to subcommittees as the Compensation Committee may deem appropriate, provided the subcommittees are composed entirely of directors who meet the above-listed criteria.

Currently, our Compensation Committee consists of Timothy Fazio and Jerome Lay. Timothy Fazio serves as the Chairman of our Compensation Committee. As a “controlled company,” our Compensation Committee is not required to be composed of entirely independent directors.

The Compensation Committee holds meetings as often as required. Minutes of each meeting of the Compensation Committee are prepared by the Secretary of Greenidge or his or her or the Compensation Committee's designee and approved by the Compensation Committee. Such minutes are filed with the books and records of the Company.

The Compensation Committee is established to discharge certain of our Board's responsibilities relating to compensation of our executive officers and directors. In particular, the Compensation Committee has the following duties:

- making and approving all option grants and other issuances of our equity securities to our chief executive officer and other executive officers;
- approving all other option grants and issuances of our equity securities as compensation, and recommending that our full Board make and approve such grants and issuances;
- establishing corporate and individual goals and objectives relevant to compensation of our chief executive officer and other executive officers, and evaluating each such officer's performance in light of those goals and objectives and certifying achievement of such goals and objectives;
- determining the compensation of our chief executive officer;

- determining the compensation of the Chairman of our Board and reviewing and making recommendations to our Board regarding director compensation;
- recommending the compensation of our executive officers (other than the chief executive officer) to our Board for determination;
- administering our cash and equity incentive plans;
- preparing an annual compensation discussion and analysis for inclusion in our annual proxy statement in accordance with applicable SEC rules and regulations, which shall be prepared following discussion thereof with our management;
- reviewing and evaluating, at least annually, the Compensation Committee charter and the adequacy of the Compensation Committee charter, as well as the performance of the Compensation Committee; and
- performing any other duties or responsibilities expressly delegated to the Compensation Committee by our Board from time to time.

Our Compensation Committee reviews the Compensation Committee charter annually. The Compensation Committee held one meeting during 2023.

### **Nominating and Corporate Governance Committee**

We do not have a standing nominating and corporate governance committee, though we intend to form a nominating and corporate governance committee as and when required to do so by law or Nasdaq rules. As there is no standing nominating and corporate governance committee, we do not have a nominating and corporate governance committee charter in place. See the section entitled “Corporate Governance—Director Nominations and Selection” for more information regarding how the typical functions of a nominating and corporate governance committee are addressed by our Board.

### **DIRECTOR COMPENSATION**

Our Compensation Committee has previously approved the following annual cash retainers for each of our non-employee directors: \$30,000 for service as a member of the Board; \$20,000 for service as the Vice Chair of the Board; and \$10,000 for service as the Chair of the Audit Committee. For 2023, our non-employee directors received cash retainers for their service as directors during 2023 in the amounts set forth in the table below.

Messrs. Anderson, Bursky, Fazio, Filippelli and Lay do not receive any compensation from us.

The table below sets forth information regarding director compensation for each director’s services as a member of our Board for the year ended December 31, 2023.

## CORPORATE GOVERNANCE

We have adopted corporate governance policies and established committees of the Board in a manner that we believe will closely align our interests with those of our stockholders. Notable features of this corporate governance include:

- independent director representation on our Audit and Compensation Committees, when we can no longer or choose not to take advantage of the “controlled company” exemption outlined below, and regular “executive session” meetings of our independent directors without the presence of our corporate officers or non-independent directors;
- qualification of at least one of our directors as an “audit committee financial expert” as defined by the SEC; and
- adoption of other corporate governance best practices, including limits on the number of directorships held by our directors to prevent “overboarding” and implementation of a robust director education program.

### BOARD LEADERSHIP STRUCTURE

With respect to the roles of Chairman of the Board and Chief Executive Officer, our Corporate Governance Guidelines provide that the roles may be separated or combined, and our Board of Directors is able to exercise its discretion in combining or separating these positions as it deems appropriate in light of prevailing circumstances. Our Corporate Governance Guidelines provide the flexibility for our Board of Directors to modify our leadership structure in the future as appropriate. Currently, the roles of Chief Executive Officer and Chairman of the Board are separated, with Mr. Kovler serving as the former and Mr. Anderson serving as the latter.

### DIRECTOR INDEPENDENCE

Nasdaq’s rules generally require that a majority of an issuer’s board of directors must consist of independent directors. As a “controlled company,” we are not required to comply with Nasdaq rules that require that a majority of our Board be independent. Our Board currently consists of ten directors, six of whom are not independent within the meaning of Nasdaq’s rules. Our Board has determined that each of Messrs. Neuscheler, Rogers, Rothaupt and Lowe are independent.

### RISK OVERSIGHT

Our risk management process places day-to-day responsibility for identifying and managing the Company’s risks on senior management. The Board is responsible for overseeing management in the execution of its risk management responsibilities and for assessing the Company’s approach to risk management. The Board accomplishes this oversight function either through the full Board or through its Audit, Capital, and Affiliate Transaction Committees, each of which examines various components of the Company’s risk exposures as part of its responsibilities. The full Board regularly assess enterprise strategic risks, and a risk review is inherent in the Board’s consideration of our strategies and in the transactions and other matters presented to the Board, such as capital expenditures, potential transactions and significant financial matters.

The Audit Committee periodically reviews our accounting, reporting and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls and our compliance with legal and regulatory requirements. Through its regular meetings with management, including the finance, legal and information technology functions, the Audit Committee reviews and discusses all significant areas of our business and summarizes areas of risk and the appropriate mitigating factors for the Board of Directors. Additionally, our Audit Committee has oversight of cybersecurity and other information technology risks, overseeing management’s implementation of our cybersecurity risk management program. Our cybersecurity risk management program is an integral component of our overall information security platform sharing common governance processes that monitor, prevent, detect, mitigate, and remediate cybersecurity incidents and guiding continuous improvement to our broader enterprise IT infrastructure.

The Capital Committee of the Board oversees issues relating to compliance with our Purchase Authority Policy, and the Affiliate Transaction Committee of the Board reviews, evaluates, negotiates, authorizes, and approves any

transactions involving our controlling stockholder and its affiliates, on the one hand, and the Company and its affiliates, on the other hand. Currently, our Capital Committee consists of Messrs. Fazio and Lay and our Affiliate Transaction Committee consists of Messrs. Kovler, Neuscheler and Rogers.

#### ANTI-HEDGING AND ANTI-PLEDGING POLICY

Our Insider Trading Policy prohibits all employees and members of our Board of Directors from engaging in the purchase or sale of financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds) that are designed to hedge or offset any decrease in the market value of our securities.

Our Insider Trading Policy further prohibits persons covered by our Insider Trading Policy from holding Company securities in a margin account or any other account that could cause the Company's common stock to be subject to a margin call or otherwise pledging Company securities as collateral for a loan.

#### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee was at any time during the year 2023, or at any other time, one of our officers or employees. We are party to certain transactions described in "Certain Relationships and Related Party Transactions." None of our executive officers has served as a member of a compensation committee (or other committee serving an equivalent function) of any entity, whose executive officers served as a director of our Board or member of our Compensation Committee.

#### CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a code of business conduct and ethics applicable to our directors, officers and employees. A copy of that code is available on our website at [ir.greenidge.com](http://ir.greenidge.com).

#### DIRECTOR NOMINATIONS AND SELECTION

Our Board is responsible for reviewing, at least annually, the appropriate skills and experience required of Board members. We have not formally established any specific, minimum qualifications that must be met or skills that are necessary for directors to possess. In general, in identifying and evaluating nominees for director, our Board considers educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom, and the ability to represent the best interests of our stockholders.

In accordance with Nasdaq Rule 5605, a majority of the independent directors may recommend a new director nominee for selection by the Board of Directors. Our Board believes that the independent directors can satisfactorily carry out the responsibility of properly selecting or approving director nominees without the formation of a standing nominating and corporate governance committee. The directors who will participate in the consideration and recommendation of director nominees are Messrs. Lowe, Neuscheler, Rogers and Rothaupt. Our Board recommends candidates for election to the Board in accordance with the policies, principles and criteria described in our Corporate Governance Guidelines. Our Board is responsible for recommending the nomination of those incumbent directors it deems appropriate for re-election to the Board upon the expiration of such director's term.

#### STOCKHOLDER RECOMMENDATIONS

Our Board will consider director candidates recommended for nomination by our stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). A stockholder that wishes to nominate a director for election to our Board should follow the procedures set forth in our Bylaws.

#### BOARD SELF-ASSESSMENT

At least annually, the Board, or a committee designated by the Board, oversees an evaluation of the performance of the Board against our Corporate Governance Guidelines. As part of this process, the Board conducts a self-evaluation to determine whether the Board and its committees are functioning effectively.

#### EXECUTIVE SESSIONS OF INDEPENDENT BOARD MEMBERS

Our Corporate Governance Guidelines provide that our independent directors will meet in executive session at least twice per year, with no members of management or non-independent directors present.

#### COMMUNICATING WITH OUR DIRECTORS

Our Board welcomes communications from the Company's stockholders, and it is the policy of the Company to facilitate communication from stockholders. The Board generally believes it is in the Company's best interests that designated members of management speak on behalf of the Company. Stockholders and other interested parties wishing to communicate with the Board or with an individual Board member concerning the Company may do so by writing to the Board or to a particular Board member, by mailing such correspondence to Board of Directors, c/o Greenidge Generation Holdings Inc., 590 Plant Road, Dresden, NY 14441, Attn: Secretary. Please indicate on the envelope whether the communication is intended for the Board as a group or any specific director.

The Board has instructed the Secretary to examine incoming communications and forward to the Board or individual directors, as appropriate, communications he deems appropriate for delivery to the Board or individual director. Certain types of communications will not be forwarded and will be redirected as appropriate.

#### CORPORATE GOVERNANCE GUIDELINES

We are committed to adhering to corporate governance practices that meet applicable U.S. corporate governance standards. Our Board has adopted Corporate Governance Guidelines that serve as a flexible framework within which our Board and its committees operate. These guidelines cover a number of areas including the size and composition of the Board, board membership criteria and director qualifications, director responsibilities, board agenda, meetings of independent directors, committee responsibilities and assignments, board member access to management and independent advisors, director communications with third parties, director compensation, director orientation and continuing education, evaluation of senior management and management succession planning. The full text of our Corporate Governance Guidelines may be viewed at our website at [ir.greenidge.com](http://ir.greenidge.com).

#### DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our directors, certain officers and any beneficial owners of more than 10% of our common stock to file reports relating to their ownership and changes in ownership of our common stock with the SEC and Nasdaq by certain deadlines. Based on a review of Section 16 filings with respect to our Company made during or with respect to the portion of the year ended December 31, 2023 during which Section 16(a) was applicable to such persons, we believe that each of our directors, executive officers and 10% stockholders were in compliance with the filing requirements applicable to them other than one late Form 4 filed by each of Messrs. Irwin and Kovler each reporting one transaction.

## PROPOSAL 1

### ELECTION OF DIRECTORS

The Board has nominated the following ten director candidates, all of whom currently serve as our directors, for reelection to serve as a director: David Anderson, Andrew M. Bursky, Timothy Fazio, David Filippelli, Jordan Kovler, Jerome Lay, Timothy Lowe, Michael Neuscheler, George (Ted) Rogers, and Daniel Rothaupt. Each of these nominees has agreed to stand for reelection at the Annual Meeting. Our management has no reason to believe that any nominee will be unable to serve. If elected at the Annual Meeting, each of these nominees would serve until the annual meeting of stockholders to be held in 2025 and until his successor has been duly elected and qualified, or until the director's earlier death, resignation or removal.

The Company representatives named in this proxy intend to vote for the election of each of the director nominees above, unless you indicate on your proxy that your vote should be withheld from any or all of the nominees. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board of Directors.

For details regarding the qualifications and the specific experiences, qualifications and skills of each of our director nominees, see "Directors and Executive Officers" on page 5.

### VOTES REQUIRED

Approval of Proposal 1 requires the plurality of the votes cast with respect to a director nominee. This means that the ten director nominees receiving the highest number of affirmative "for" votes will be elected.

**The Board recommends you vote FOR each of the directors nominees identified in this Proxy Statement.**

## AUDIT COMMITTEE REPORT

*The following report of the Audit Committee is not “soliciting material,” is not deemed “filed” with the SEC and is not to be incorporated by reference into any other of the Company’s filings under the Securities Act or the Exchange Act, except to the extent we specifically incorporate this report by reference therein.*

The Audit Committee is composed of three non-employee directors, each of whom is independent as that term is defined in the Nasdaq Marketplace Rules and satisfies the audit committee independence standard under Rule 10A-3(b)(1) of the Exchange Act.

The Audit Committee operates under a written audit committee charter that was approved by the Audit Committee and the Board of Directors. The Audit Committee held four meetings during 2023.

The Audit Committee has reviewed and discussed with management of the Company and MaloneBailey, LLP, the independent registered public accounting firm for the Company for the 2023 fiscal year, the audited financial statements of the Company for the year ended December 31, 2023. The Audit Committee has discussed with MaloneBailey, LLP the matters required to be discussed by Auditing Standard No. 1301, “Communications with Audit Committees” issued by the Public Company Accounting Oversight Board, as in effect on the date of this proxy statement.

MaloneBailey, LLP provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communication with the Audit Committee concerning independence, and the Audit Committee discussed with MaloneBailey, LLP the latter’s independence, including whether its provision of non-audit services compromised such independence.

Based on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2023 for filing with the SEC.

Any such proposal must meet the requirements set forth in the rules and regulations of the SEC, including Rule 14a-8 of the Exchange Act, in order for such proposal to be eligible for inclusion in our 2025 proxy statement.

## HOUSEHOLDING

The SEC allows companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Householding is the term used to describe the practice of delivering a single set of notices, proxy statements and annual reports to any household at which two or more stockholders reside. This procedure reduces the volume of duplicate information stockholders receive and also reduces a company’s printing and mailing costs. Householding will continue until you are notified otherwise or you submit contrary instructions.

The Company will promptly deliver an additional copy of any such document to any stockholder that writes the Company. Alternatively, if you share an address with another stockholder and have received multiple copies of our notice, proxy statement and annual report, you may contact us to request delivery of a single copy of these materials. Stockholders of record who currently receive multiple copies of the annual report and proxy statement or Notice of Internet Availability at their address who would prefer that their communications be householded, or stockholders of record who are currently participating in householding and would prefer to receive separate copies of our proxy materials, should also contact us. Any such written requests should be directed to the Secretary of the Company at the following physical address:
